

ASLM | 2026 BIENNIAL CONFERENCE

08 - 11 DECEMBER CAPE TOWN,
SOUTH AFRICA

Integrated Diagnostics for Health Security:
Investing in Sustainable Impact

Sponsorship Prospectus

The ASLM Biennial Conference is the leading continental platform for advancing laboratory systems and diagnostic services across Africa. Bringing together policymakers, scientists, public health leaders, and industry partners, the conference fosters collaboration, innovation, and investment in resilient diagnostic systems. **ASLM welcomes partners to join us in making this important event possible by supporting the conference through one of the sponsorship packages outlined below:**
